

A scatter plot on a white background. The x-axis is at the bottom, ranging from 2 to 4 with major ticks every 0.5 units. The y-axis is on the left, ranging from 4 to 6 with major ticks every 0.5 units. A single data point is plotted as the text "I like Fibonacci" in a blue font, located at approximately (2.9, 5.0).

x	y	text
2.9	5.0	I like Fibonacci
